<i>Chocolate Pudding</i>	For those with a sweet tooth – intensely chocolaty	Item nr. 9494
<i>Whipping Cream</i>	Unsweetened with original consistency, ideal for refining desserts	Item nr. 9584

What we love about bedda?

Obviously, apart from the extra delicious taste?

For sure: the unbeatable variety! It all started with our cheese alternatives. Since they turned out so well, we gradually moved on to our next favourite products in the refrigerated section.

And voilà: From spread, to feta, all the way to hollandaise. Almost no wish remains unfulfilled.
